

Realistic
(Hands-On, Practical Interests)

If you could learn how to build or fix anything, what would it be?

What's one activity you love doing outdoors, and why?

Do you like working with your hands? Share a time when you built, created, or fixed something.

What's one thing you'd like to do if you were a scientist or engineer for a day?

Investigative
(Curious, Analytical Interests)

If you could solve any mystery in the world, what would it be?

What's a topic you could spend hours learning about? Why does it interest you?

Do you like puzzles or solving problems? Share a time when you solved something challenging.

If you could explore any part of nature, like oceans, space, or forests, where would you go and why?

Artistic
(Creative, Expressive Interests)

What's your favorite way to express yourself (drawing, writing, music, etc.)?

If you could create any work of art (painting, sculpture, song), what would it be?

What's the best thing about creating something unique? How does it make you feel?

Imagine you're a famous artist. What kind of art would you make to inspire others?

Social
(Helping, People-Oriented Interests)

Who is someone you admire for helping others? What do they do that's special?

What's one way you enjoy helping others at home, at school, or in your community?

If you could volunteer anywhere in the world, where would you go and what would you do?

Who would you want to partner with to make the world a better place? What would you work on together?

Enterprising
(Persuasive, Leadership Interests)

If you could start your own business or organization, what would it be, and who would it help?

Do you enjoy coming up with new ideas or leading projects? Share one idea you're excited about!

Imagine you're a speaker at a big event. What topic would you talk about to inspire others?

If you could change one thing about the world, what would it be, and how would you convince others to help?

Conventional
(Organized, Detail-Oriented Interests)

What's a routine or activity that helps you stay organized and focused?

Do you like organizing things? Share a time you helped make something more organized.

What's a skill you have that could help in planning events or managing projects?

If you could create a new system for doing something at school or home, what would it be?

Find My Why Cards

Each prompt encourages students to think about their unique strengths and interests, while subtly introducing RIASEC themes to help them understand more about themselves and their potential paths.
